MEMORANDUM

Department of Budget and Finance

To: Bid Specification Committee

From: Herb Hyman, CPPB, Procurement Manager 

Through: Christopher Wallace, Budget and Finance Director

Subject: Temporary Services-Blue Collar Workers-Co-op Bid

Date: August 4, 1999

The Town acted as lead agency for this Broward Governmental Co-operative Bid. The original term of this contract was a one year agreement with an option to extend for two additional one year terms by mutual agreement of the parties. All parties to the contract are in agreement to the first one year extension as evidenced by the attached documentation. At the request of the co-op members, we have added Temporary Labor Source as a third option to the original award due to the heavy usage of this contract by all participating co-op members resulting in an inability of the two originally awarded vendors to meet all co-op requests for services.

Therefore, it is my recommendation to extend this agreement in accordance with the pricing quoted in the original award dated October 7, 1998.
